

2020 Military Appreciation Program ALL WEEK

Please join us as we honor our active and retired military at the 2019 John Deere Classic. Thanks to Ray's Barber Shop and Lowe's, all military personnel currently holding a Common Access Card (CAC), as well as those who have retired from Armed Services and Veterans who have a valid ID card, will be given free admission for themselves and 1 guest each day Wednesday - Sunday. This offer applies to active duty, retired military and veterans of the armed forces only, and not civilian or contractor CAC card holders.

Military guests are invited to register online before the tournament for access into the air-conditioned Military Outpost venue behind #18 tee for VIP golf viewing. 250 tickets are available per day and you must register online prior to the event. More information online.

The John Deere Classic staff, Board of Directors, volunteers and fans thank you for your service.

**Appropriate identification must be shown at the front gate to receive daily ticket or you may register online through SheerID. Veterans may display Department of Defense Uniform Services or U.S. Department of Veterans Affairs cards, or copy of DD214 form.*
