Runner-up at Oakwood the previous year, Victor Regalado opened a two-shot midway lead with a 7-under Friday round of 64 in the last year that the pros played Oakwood CC as a par-71 layout. Regalado managed to pick up just four shots more on par over the weekend, but held on for his second career win. Over a five-year span, from 1977 through 1981, Regalado finished outside the QCO's top five only once, in 1980 when he tied for 26th.
