Kenny Knox overcame a two-shot deficit to Gil Morgan heading into Sunday's final nine, finished with a third-straight round of

4-under 66 and notched the second of his three career wins. One of the Tour's best putters, Knox used a hot putter and a

deft touch around the greens to best Morgan by a shot and Mark McCumber by a pair. Mike Smith set the tournament scoring record with a 9-under, second-round 61, but shot 74 the next day and finished tied for 21st.
