PGA Tour veteran J.P. Hayes recorded his second victory in record fashion. His 22-under par total was a tournament record in relation to par. He started the final round tied with Robert Gamez, but held a three-shot lead after only two holes after he went birdie-birdie to Gamez's par-bogey start. Hayes set the new course record during Friday's second round when he shot a 10-under 61. That score along with three other 67s was the key to his victory.
