

## 2018 Military Appreciation Program - ALL WEEK

Please join us as we honor our active and retired military at the 2018 John Deere Classic. Thanks to Ray's Barber Shop and Lowe's, all military personnel currently holding a Common Access Card (CAC), as well as those who have retired from Armed Services and Veterans who have a valid ID card, will be given free admission along with 1 guest each day Thursday - Sunday. This offer applies to active duty, retired military and veterans of the armed forces only, and not civilian or contractor CAC card holders. All military guests are invited to the air-conditioned Military Outpost venue behind #18 tee for VIP golf viewing. Light snacks and non-alcoholic drinks will be served in the Military Outpost.

**The John Deere Classic staff, Board of Directors, volunteers and fans thank you for your service.**

*\*Appropriate identification must be shown at the front gate to receive daily ticket or you may register online through SheerID. Veterans may display Department of Defense Uniform Services or U.S. Department of Veterans Affairs cards, or copy of DD214 form.*
